

The First Nations Technical Services Advisory Group

The [First Nations Technical Services Advisory Group](#) (TSAG) is a not-for-profit First Nations organization that provides technical support and training to Indigenous people in the Treaty 6,7, and 8 regions. The TSAG Information Technology program delivers IT services, including high speed internet, helpdesk, telehealth videoconferencing, and GIS capture and management¹¹⁸. The Advisory Group owns 51% of Arrow Technology Group, a service provider with a presence in 50 First Nations communities¹¹⁹. Arrow offers residential and business wireless services in the 10 Mbps to 20 Mbps download speed range.
